We have 171 kids registered so far! Thank you to all those listed above who have already generously signed up to volunteer! If you have not signed up yet, we hope you will still consider any of the jobs listed on the signupgenius.com e-mail you received (A small job is better than none!). If you haven't received a volunteer request e-mail, let me know and I will re-send. Whether it's a 15 minute shift supervising an easy activity (this job is especially needed or we will have to limit activities), decorating a pirate ghost ship, or helping cross kids at 45th & Lincoln, we hope you can pitch in to make the event fun, safe and memorable for our kids.

To many years of a fun Outer Sunset Halloween!
